Echo for Rosia Montană

1.

It starts with
a leaf. Rosia
Montana's leaf

2.

One by one, unique
lines will be drawn with
a fine line pen/pencil, echoing the
symbol. Try to reflect as closely as
possible the line just before yours.

3.

Sign your name,
linking your name
and surname

4.

Ask the person next to you to trace another echo-
ing line and sign, linking his/her name to yours.
When done, sign your Artwork's Certificate of Authenticity.

Your canvas will join many others in a collage presented to UNESCO for Rosia Montana
